**Dining Table  
Series... ..**

Dear Sir/Madam, I'm Terrence, a manager of sale partment in JL furntiure. I'm glad to help you realize our product further.

About some special device of dining table, I guess you must want to know how it works? Let me introduce them to you

Take Dining table F-66 as a sample

From this picture, we can see a antique and special designation  
there is a rotatable gripe combining with the departed glass top which is easy to  
retract from outside to inside.

let's see conformation of deivce in a clear visual angle

Let's see more

Let's see the shaped dining table
