**Dining Table
Series... ..**

Dear Sir/Madam, I'm Terrence, a manager of sale partment in JL furntiure. I'm glad to help you realize our product further.

About some special device of dining table, I guess you must want to know how it works? Let me introduce them to you

It is easy to take this table away because of the folding bracket

one side fixation joint on the frame can keep the body of table steady
and the other one can move as your mind.
